

DC COMMISSION ON THE ARTS & HUMANITIES BUDGET REVISION FORM INSTRUCTIONS

The purpose of this form is to show DCCAH that you have reconciled the difference between your original grant request and the awarded grant amount. To that end, the following form must be completed and submitted in accordance with the grant agreement.

The Budget Revision Form must represent the total project budget related to your grant request or the organization's budget for awards from the DC Heritage Grant program. The budget should reflect all income and expenses attributed to the project or organization, including operating costs and project/program expenses for the fiscal year in **Column C**.

The completed chart will identify the **DCCAH CONTRIBUTION (Column A)** and, if applicable, **MATCH CONTRIBUTION expenditures (Column B)** that you will track during the grant period. DCCAH CONTRIBUTION and MATCH CONTRIBUTION expenditures must be documented by receipts or cancelled checks in the interim/final report. All reporting documents are available at <http://dcarts.dc.gov/page/managing-grant-awards>. Demonstration of funds received to support a required match for a grant are not requested for either the interim or final reports.

RESTRICTIONS:

35%/65% RULE: In accordance with the District of Columbia's Office of the City Administrator's recommendation, DCCAH requires that **no more than 35% of the total project expenses be attributed to administration and overhead costs** for all programs other than DC Heritage Grant and Arts and Humanities Fellowship Programs.

Also note:

- The following grants awards require a 1:1 match: Arts Education Projects; DC Heritage Grant Program; Projects, Events and Festivals (Organizations Only); and Facilities and Buildings;
- Individuals and East of the River recipients are never required to match their grant award;
- The DCCAH grant may not cover food costs, non-related travel or scholarships. See grant program guidelines for complete list of ineligible expenses;
- The DCCAH grant may not cover individual pieces of equipment over \$500, except Facilities and Buildings.
