

DC COMMISSION ON
THE ARTS & HUMANITIES

FY 2015
WARD REPORT

DC Commission on the Arts and Humanities Grant Process Overview

Our mission is to provide grant funds, programs and educational activities that encourage diverse artistic expressions and learning opportunities, so that all District of Columbia residents and visitors can experience the rich culture of our city.

All DCCAH grant program guidelines are available at www.dcartarts.dc.gov

Applicants are scored according to criteria that are specific to each grant program and listed in the grant program's guidelines. Some of these criteria include:

- Artistic Content;
- District Impact & Engagement;
- Sustainability and Capacity

The application process is competitive and subject to the availability of funds. Applicants may not request or receive funding for the same project activities through more than one Commission grant program or grant category.

The DCCAH forwards all eligible applications to the Advisory Review Panelists for evaluation and scoring based on the published criteria. Panelists conduct a thorough review of all applications and convene as a group to discuss each application and finalize scores. These scores serve as the basis for the funding recommendations made to the Commission Board. Advisory Review Panelists are arts and humanities professionals independent of the Commission who ensure that the DCCAH provides programs and services that meet the needs of the District's cultural community. To nominate a person to serve on DCCAH's Advisory Review Panels, visit www.dcartarts.dc.gov

The evaluation process also takes into consideration general standards of decency and respect for the diverse beliefs and values of the American public consistent with The National Foundation on the Arts and Humanities Act, as amended in 1990.

The Commission Board must approve all grant awards and funding amounts. Funding decisions are not determined by DCCAH staff.

FY 2015 begins October 1, 2014 and ends September 30, 2015.

This report lists grantees and funding by ward for grant awards made through the annual grants process.
