OCTOBER 26, 2023, COMMISSION MEETING**

Grant Program Name:

FY24 Art Bank Program (ABP)

Grant Program Description:

In support of local visual artists and art nonprofit organizations, CAH acquires fine art. The ongoing and annual acquisition of art from metropolitan artists becomes a part of the Art Bank Collection. Artwork in the collection is managed by the Public Art Department of CAH and loaned to District government agencies for display in public areas and offices of government buildings. The Art Bank Collection, which started in 1986, has nearly 3,000 artworks in various media.

For the purpose of this grant, metropolitan artist is defined as a legal resident of Washington, DC, or a legal resident of within a 50-mile radius of the Washington, DC boundaries, for at least one (1) year prior to the application deadline. Award amounts to metropolitan artists vary but eligible applicants can be awarded up to \$15,000 for individuals and up to \$20,000 for nonprofit art galleries or organizations.

Program Goals include:

- Growing the District’s collection of art to reflect the rich, diverse artistic history and communities of the District of Columbia and metropolitan region.
- Providing support, exposure and professional benefit for visual artists residing in the District of Columbia and metropolitan region.
- Enhancing the aesthetic experience for District employees and visitors that access the District of Columbia government buildings and public spaces.
