# Meet the Artists

*M\$NP is a DJ, creative, and entrepreneur, based out of Washington D.C. She spent her childhood exploring different communities around the world, and as a result, her eclectic musical taste is a reflection of her life's experiences.*

# Meet the Artists

***About Coyaba Dance Theater:*** Coyaba Dance Theater was founded in 1997 by Founder/Artistic Director Sylvia Soumah. Coyaba mesmerizes audiences with its electrifying portrayals of African Dance, music and culture.

***About the Moko Jumbie:*** The lore of the Moko Jumbie (stiltwalker) is that he is a West African God of retribution. His height helps him to see any evil that may come before men can see it. Moko Jumbies also walked across the ocean with slave ships as protectors.

# Meet the Artists

*Jabari Exum is an electrifying percussionist, Hip-Hop, and Theater artist born and raised in Washington DC. Since 1997, He has also been a pioneering artist in a movement called, “Hip-Hop Theater”. Needless to say, Jabari's approach to everything that he touches is unique & unconventional since he is able to pull from so many different sources. He has been acting, drumming, rapping and moving thru martial arts, gymnastics and dance, since he was 2yrs old and has been blessed with the opportunities to receive guidance from some of the greats across many fields of creative study.*
