

FY21 COLOR THE CURB (CTC) ARTWORK SUBMISSION EXAMPLE

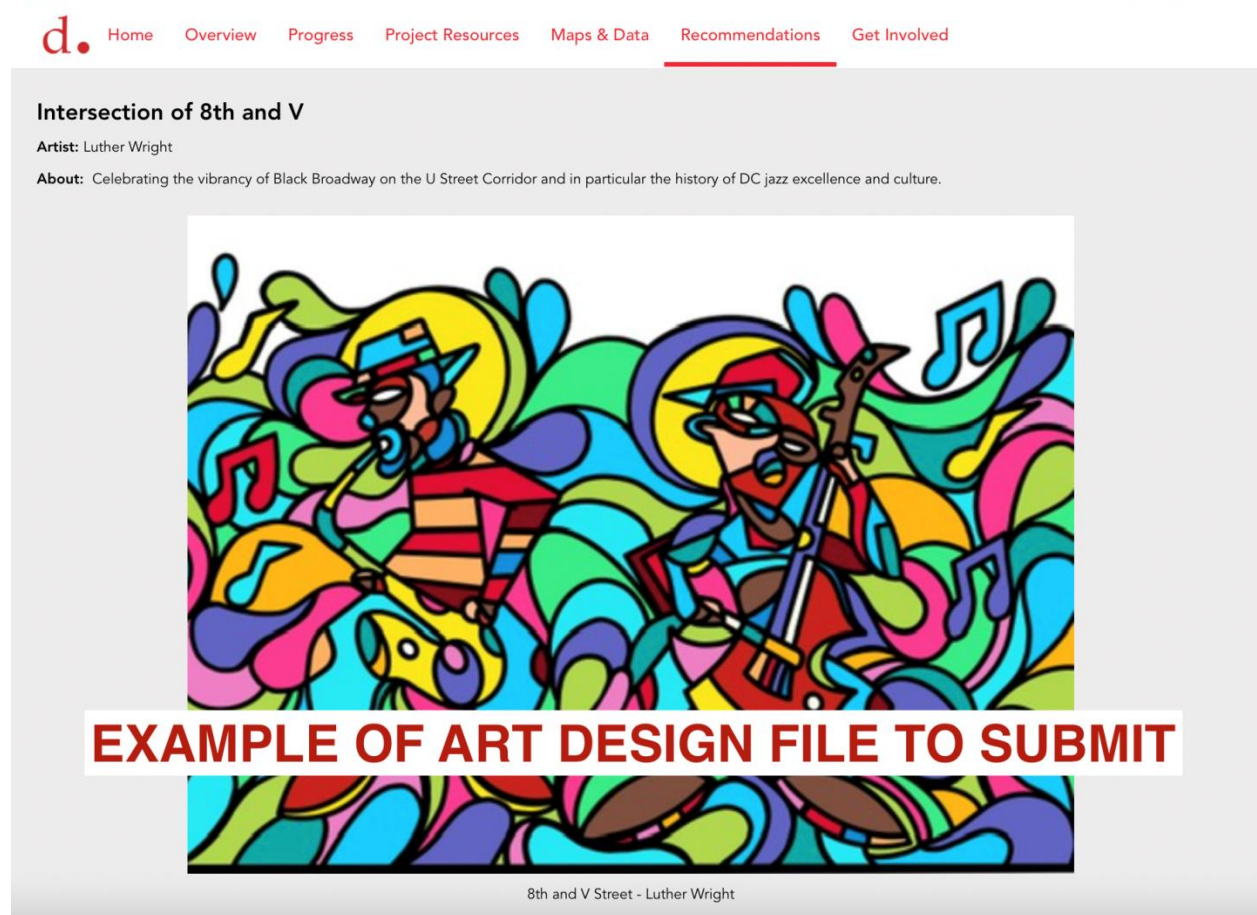

Artwork Design Submissions: Applicants may submit up to two (2) proposed artwork designs as JPG files at minimum 72 dpi, less than 20MB or PDF files.

- Artwork design(s) submitted with the application should be an image file that represents the applicant's overall concept. (See REFERENCE A below)
- The artwork design(s) should not be to the specifications of the planned curb extensions in a given intersection. DDOT will provide guidance to the selected artists about modifying artwork designs to fit the technical specifications of the intersection. (See REFERENCE B below)

See more examples: <https://nnwiii-dcgis.hub.arcgis.com>, click Recommendations, and scroll down to "Art Designs" to see examples of planned installations, including themes.

REFERENCE A

Submit 1-2 jpg files or PDFs of artwork work design.
