PROJECTS, EVENTS, or FESTIVALS PROJECT GRANT

Applicants may submit one (1) Projects, Events, Festivals Grant application per fiscal year cycle

OVERVIEW

The Projects, Events, or Festivals (PEF) grant program supports individuals and organizations who execute projects that promote arts and humanities activities to a diverse range of communities within the District of Columbia.

CAH seeks grant applications from qualified organizations and individual program providers who present exemplary projects in the arts and humanities. CAH will award select applicants (“grantees”) funds to support the delivery of their proposed program. Grants funds are applicable only to CAH’s Fiscal Year 2021 (“FY 2021”), which occurs from October 1, 2020 to September 30, 2021, and which is referred to as the “grant period” in this document. Grant award funds cover expenses made only within CAH’s Grant Period.

There is no matching requirement for PEF grants.

PROGRAM OBJECTIVES

By making its PEF grant awards, CAH endeavors to meet the following goals:

- Provide access to high-quality arts and humanities experiences for all District of Columbia residents;
- Improve quality of life by supporting vibrant community projects within the arts and humanities; and
- Strengthen the creative economy through investments in local individuals and organizations.

SUPPORTED PROJECT CATEGORIES

CAH accepts applications for projects of all sizes that demonstrate District impact and engage District residents and visitors.

CAH encourages community-based projects that share characteristics such as geographic location, common interests, or community impact. Arts and humanities projects may include, but are not limited to: concerts; visual arts exhibitions; literary readings; or festivals that feature dance, folk art, film, music, theatre and other art forms. Applicants who are unsure if their project may qualify for this grant program are encouraged to contact a CAH grants manager.

SUBMISSION GUIDELINES

CAH utilizes an online grant portal to receive grant applications. All applications must be submitted online by 4:00 PM ET on Friday, July 24, 2020. Technical issues or failure to receive a confirmation email should be immediately brought to the attention of CAH staff. Incomplete or late applications or applications that do not follow the instructions and guidelines are deemed ineligible for review and funding. CAH does not accept mailed, emailed or hand-delivered copies of grant applications and/or the required attachments. CAH will accept reasonable accommodation requests from applicants with disabilities in advance of the application due date to assist them in submitting grant applications via mail, email or hand-delivery. To request a reasonable accommodation, contact David Markey at 202-671-1354 or david.markey@dc.gov and await request approval.

2. Read the RFA guidelines for the desired grant program and determine eligibility.
3. Go to [Apply for Grants](#) and select [Grant_Application_Portal](#) to register as a user.(Note: To reset a user password either select “Forgot your password?” or click [here](#)).

4. Upon registration, applicants select the desired grant program(s).
5. Complete the application questions, budget and budget narrative data.
6. Upload required documents, supplementary material and work samples.
7. Double-check the application for thoroughness, clarity and typographical errors.
8. Submit the application by 4:00 PM ET on the grant program's deadline date.
9. Ensure receipt of grant submission confirmation email (auto-generated by the online portal) by the application deadline.

Applicants are fully responsible for the content of their application materials. An automated confirmation of an applicant's submission does not guarantee an applicant's eligibility, and therefore review by the advisory review panel (see below, "Application Review"). CAH staff is not permitted to make corrections to applications on behalf of applicants. CAH staff reviews applications for completeness and contacts applicants for any incomplete documents within five (5) business days of the deadline. Applicants are then responsible for updating their application within five (5) business days of CAH's notification. Failure to do so will disqualify the application.

Applicants may not request or receive funding for the same activities through more than one CAH program or grant category. Multiple applicants may not apply for funding for the same scope of work, whether through the same or different grant programs.

APPLICATION REVIEW

CAH's grant application process is competitive and subject to the availability of funds. CAH selects individuals who are arts, humanities and/or business professionals, independent of CAH, to serve as advisory review panelists for each grant program. The role of a panelist is to review and score an eligible application's content to the established grant program review criteria. Panelists participate in a group review of CAH grant applications, according to their cohort, to discuss and comment on the merits and deficiencies of applications and finalize their application-related scores in the presence of CAH staff and Commissioner Conveners.

CAH staff, Commissioner Conveners and panelists remain impartial in their review of CAH grant applications. CAH ensures that all involved recuse themselves from review of any application that presents a personal or professional conflict of interest (or the appearance of a conflict of interest).

CAH's grant application evaluation process takes into consideration general standards of decency and respect for the diverse beliefs and values of the American public consistent with [The National Foundation on the Arts and Humanities Act](#), as amended in 1990. For more information regarding the grant review process please visit the FY21 Guide to Grants. To volunteer or nominate a person to serve as an advisory review panelist for a grant program, see CAH's [Call for Panelists](#).

NOTIFICATION AND PAYMENT

CAH will notify applicants of this grant program as to the results of their application by November 5, 2020 via (1) letter of intention to award, (2) letter of ineligibility, or (3) letter of denial.

For award recipients, the date of CAH grant award payment disbursement(s) is subject to the availability of funds and the processing of required documentation. CAH staff will advise grant award recipients on the payment disbursement process on or after November 5, 2020. CAH does not disburse grant award payments through its office. However, in collaboration with other District of Columbia government agencies, CAH processes the grant award payment requests for grantees in a timely manner. To expedite grant award payments, CAH advises grantees to register to receive a direct deposit for the grant award, by completing an Automated Clearing House (ACH) Vendor Payment Enrollment Form with the Procurement Center of Excellence. CAH no longer requires applicants or grantees to upload an ACH form with their applications or award agreements. More details may be found on CAH's website at [Managing Grant Awards](#).

Applicants must ensure that all compliance materials are uploaded and that all organizational data is current in the online portal before submitting an invoice.

Section 3 - Résumés of Key Personnel

Section 4 - General Suggestions from CAH Staff

Of these, the work sample carries the most weight because it must contain the clearest depiction of the applicant's best work(s) of art and/or humanities. All applicants must submit arts and/or humanities work samples or demonstration of content of services provided to artists and humanities practitioners.

To further assist the applicant in submitting strong artistic content with an application, general suggestions are provided in Section 4 (below).

Section 1 - Work Samples

Work samples are critical to each application and are carefully considered during application review. CAH strongly recommends that applicants pay close attention to the content of work sample submissions.

The guidelines on what to submit within a work sample submission depend on the grant application. Applicants must adhere to the work sample requirements below in order to be eligible for consideration of a grant award.

Work samples must be no more than three (3) years old from the date of submission. Submitting older work samples will render the application ineligible for funding consideration.

Section 2 - Support Materials

Support materials are documents that strengthen the application and provide additional information that directly relates to the grant request. Support materials do not take the place of a work sample. They do, however, reinforce the quality of the applicant’s arts and humanities disciplines(s).

Some examples of supporting materials include:

- Theater/exhibition reviews;
- Letters of recommendation;
- Certificates of achievement or recognition;
- Sample lesson plans;
- Assessments and evaluations; and/or
- Awards.

Assessment and Evaluations

Purpose:

- To determine the efficacy of a program, as articulated in the program goals and as required for grant reporting; and
- To provide evidence to support changes in order to improve the program and its delivery.

Types:

- Qualitative assessment is often subjective in approach and narrative in nature; and
- Quantitative assessment provides empirical data that demonstrates growth in the knowledge, skills, and understandings of the participants.

Assessment and Evaluation Design

There are many ways to assess and evaluate programming including: needs assessments; pre- and post-testing; and formative, observational, and summative assessments that utilize mixed-method approaches such as portfolio/process-folio assessments.

Section 3 - Résumés of Key Personnel

Another way for the advisory review panelists to determine the artistic content of each application is to review the résumés of the key artists, administrators and facilitators involved in the grant activities. Those professionals involved in the organization determine the capacity of the organization and ability for the applicant to effectively create an excellent arts and

humanities product and/or experience. Their backgrounds as artists and administrators should be relevant to the organization and clearly demonstrated through their professional résumés.

Section 4 - General Suggestions from CAH Staff

When creating and preparing work samples, supporting materials and résumés, CAH recommends considering the following:

- Applicants should be able to view and/or play all work samples in the application before submitting;
- Select recent, high quality samples that relate as directly to the application as possible; Photograph uploads should be in JPEG (or JPG) format with a 72 dpi minimum resolution and should not exceed 20MB in size;
- Adding more than the recommended number of work samples to an application will often weaken it;
- Carefully chosen work samples (pictures, videos, excerpts, etc.) tend to make the biggest impact and create the strongest artistic impression;
- Advisory review panelists are required to review each applicant's work samples; however, they are not guaranteed to review multiple work samples within the same application;
- Each work sample and document must give the specific name and title, so that panelists can identify what they are reviewing;
- For project-based grants, include samples of similar projects completed to illustrate an ability to execute the proposed project; and/or
- Panelists must be able to assess the skill level of the artist(s) involved in the project work to be created, exhibited or taught.

For video submission:

- Do not include highly edited commercial/promotional videos as a work samples;
- Do not include poor quality video samples or samples with dim lighting, unstable video content, bright backlighting, or blurred images; and
- If the video work sample is longer than five (5) minutes, indicate the embedded timecode of the video where panelists should begin viewing the work sample (e.g. 5:05:00).

For online materials and websites:

- A website is often an insufficient work sample. Submit a website only if it is an essential part of the project;
- Provide all passwords or include any necessary information required to view the work sample, such as plug-ins or navigation paths; and
- Ensure links to online materials or websites are fully functional and up-to-date. An inoperative link to a website containing a work sample will negatively affect the application. CAH is not responsible for any material obtained outside of its online grants portal.
