Ranking and Award Justification

- **Cut-off:** All eligible applications were reviewed and scored by panelists, in an online review of portfolios, on a scale of 1-10.
 - 148 eligible applications were received. This included 141 individual applications and seven organizational applications. With each individual submitting up to five artworks and each organization submitting up to ten, we received a total of 695 artworks. All were reviewed in the first round.
 - The top scoring 131 artworks were selected to enter a final on-site round of review. These were works by 87 artists representing 76 individual applicants and 4 organizational applicants. During this final round of review, panelists assessed the artworks in person for quality, visual impact, and potential conservation issues before meeting virtually for the panel discussion.
 - Of the 131 finalist artworks, the recommendation is to acquire 75 artworks by 65 artists, representing 56 individual applicants and 4 organizational applicants.
- **Allocation of Funds:** Recommend 75 works of art at various request amounts from 65 artists (56 individual applicants, 4 organizational applicants) for a total of \$228,391. Twenty-nine artists are new to the Art Bank collection.
- **Total Recommended Request: \$228,391**
