FY23 Public Art Building Communities Grant (PABC)

(4/22/2022)

Q: From the Artist Fee Guidelines, What happens if a number of artists apply as a team?

A: The Artist fee stays at the recommended 20%. The applicant then needs to divide the fee among their team. If the applicant determines that the fee is not sufficient, they may supplement the Artist fee with their own matching dollars. (keep in mind that installation costs may apply and can further determine artist compensation through an hourly rate of pay)
