MARCH 2024

WASHINGTON, DC

yas media

One day ticketed event celebrating small-woman-owned businesses, entrepreneurs and creatives during the week of Fri March 8, **International Women's Day 2024**

To benefit DC women's shelter, DC Central Kitchen or other

Vendors made up of international women small business owners Live painting by female artist / Live piano by int'l female pianist

Brief talks by motivational women including members of DC's diplomatic community, the arts and small business community

Light Fare inspired by the Mediterranean

All with a Mediterranean Aesthetic / Mediterranean Flavors paying tribute to the original Ancient Agora

The concept for the proposed event is inspired by the ancient marketplace - which provided a reason for women to leave their homes and socialize with people outside their family. The agora was a huge opportunity for the women of Athens to participate in their social culture.
