FY2015
Sister Cities International Arts Grant (SCIAG)
Individuals and Organizations may request up to $20,000
Application Deadline: Friday, May 16, 2014 by 6:00PM

Sister Cities International Arts Grant Description

The Sister Cities International Arts Grant (SCIAG) provides one-time project support and covers travel expenses to foster cultural exchange and diplomacy between the District of Columbia and DC’s Sister Cities (For a complete list of Sister Cities go to page 19 or visit: http://os.dc.gov/service/dc-sister-cities). SCIAG grants support high quality dance, music and theatre ensembles, visual arts exhibitions and literary readings, as well as individual and multi-disciplinary artists. SCIAG may also support participation in arts festivals.

SCIAG supports projects that:
- Showcase international artist(s) from outside of the US within the District of Columbia to present or exhibit work that enriches the cultural fabric of DC;
  Or
- Showcase DC artists outside of the US to present, perform or exhibit their work and promote the District as a world class cultural capital.

Individuals are not required to match grant funds. Organizations applying to the Sister Cities International Arts Grant have a 1:1 cash matching requirement. This is designed to assist an organization’s fundraising by leveraging funding from additional sources. Neither in-kind services nor other DCCAH funds may be used to satisfy the matching requirement. Funds must be spent within DCCAH’s FY2015 (October 1, 2014 to September 30, 2015).

Sister Cities International Arts Grant Program Goals

- Provide artists and arts organizations from the District and the District’s Sister Cities the opportunity to engage in international exchange through the presentation of their art; and
- Raise the profile of the District of Columbia and promote the city as a world class cultural capital.

Technical Assistance and Workshops

DCCAH staff members are available to help develop grant applications through group and individual technical assistance. Between April and May 2014, the DCCAH will conduct free workshops for participants to learn useful information about the agency’s funding opportunities and how to submit a grant application. More information about the dates and times of these workshops may be found at www.dccah.org under Grant Writing Assistance. The DCCAH urges all applicants to attend these workshops. In addition, DCCAH staff members are available for 30-minute appointments up to one week before the deadline.
Workshops will take place at the offices of the DC Commission on the Arts and Humanities and the Marshall Heights Community Development Organization (MHCDO). **Workshop dates, times and locations listed below are subject to change.** All workshops are free and open to the public; however, participants are encouraged to RSVP. **Grants Writing Clinic:** The Humanities Council of Washington DC, a partner of DC Commission on the Arts & Humanities, will conduct a General Grants Writing Clinic for potential applicants. The goal of the workshop is to provide more in-depth assistance and feedback to the applicant’s questions regarding grant proposals, to increase the funding potential of the applicant.

Applicants interested in registering for the Grant Writing Clinic must email Tierra Buggs at [tierra.buggs@dc.gov](mailto:tierra.buggs@dc.gov) for specific instructions and preparation for the workshop.

**Application Process**

All of the FY2015 grant program guidelines are available [www.dcartsc.gov](http://www.dcartsc.gov). DCCAH utilizes an online grant portal. All applicants MUST SUBMIT the application online via the online grant portal by 6:00PM on the deadline date. **DCCAH will not accept mailed, emailed or hand-delivered copies of grant applications.**

**Grant Application Procedure**

1. Review the FY15 Guide to Grants [PDF](#) and the grant guidelines thoroughly and determine eligibility of the applicant, project and project activities;

2. Go to the [Apply for Grants](#) page and select the [FY15 Grant Application Portal](#) to register:

   - **If the applicant created an account in FY14, the applicant’s FY15 Login Name will be the email address associated with the FY14 application.** To reset the password either select “Forgot your password?” or click [here](#). Applicants’ profiles and organization data have been migrated, however FY14 request and award data will not be available in the new portal until later this year;

   - To reference an FY14 application, visit the [FY14 Grant Application Portal](#) and log in using the FY14 Login Name and password. Direct any questions to DCCAH at 202.724.5613.

   - If the applicant did not create an account in FY14, the applicant will register as a new user. Direct any questions to DCCAH at 202.724.5613;

3. Once fully registered, applicants should select the desired grant program(s), complete the application questions and budget/budget narrative data, and upload all required documents, supplementary material, and work samples; and

4. Submit the application by 6:00pm on the grant program’s deadline date.
The application process is competitive and subject to the availability of funds. Applicants may not request or receive funding for the same project activities through more than one DC Commission grant program or grant category.

Applicants are fully responsible for the content of their application packages. An automated confirmation of an application’s submission does not guarantee an application’s eligibility nor recommendation for funding by the Advisory Review Panel. DCCAH staff are not permitted to make corrections to applications on behalf of applicants. DCCAH staff will review applications for completeness and contact applicants for any incomplete documents within five business days of the deadline. Applicants are responsible for updating attachments within five business days of DCCAH’s notification. Incomplete applications will not be forwarded to the Advisory Review Panel for consideration.

Review Process

All applications are scored according to four categories: Artistic Content, Impact & Engagement, Sustainability and Capacity, and Overall. The evaluation criteria are specific to each grant program and listed in each grant program’s guidelines. The application process is competitive and subject to the availability of funds. Applicants may not request or receive funding for the same project activities through more than one Commission grant program or grant category.

Once an application has been successfully submitted, a grant manager will review each submission for eligibility and completeness. Receiving an automated confirmation of the applicant’s submission does not guarantee the application’s eligibility or recommendation for funding.

Applicants are fully responsible for the content of their application packages. Failure to submit mandatory documents will automatically result in disqualification. Incomplete applications will not be forwarded to the Advisory Review Panel for review. DCCAH staff cannot make corrections to applications on behalf of applicants.

DCCAH selects Advisory Review Panelists for each grant program to make funding recommendations to the Commission Board. Advisory Review Panelists are arts and humanities professionals independent of the Commission who ensure that the DCCAH provides programs and services that meet the needs of the District’s cultural community. All eligible applications will be forwarded to the Advisory Review Panelists for evaluation and scoring based on the published criteria. Panelists will conduct a thorough review of all applications and convene as group to discuss each application and finalize scores. Applications recommended for funding by the panel will be sent to representatives from each Sister City for approval. Funding amounts will be determined by the Commission Board.

The evaluation process will also take into consideration general standards of decency and respect for the diverse beliefs and values of the American public consistent with The National Foundation on the Arts and Humanities Act, as amended in 1990.

For more information regarding the grant review process please visit the Guide to Grants. To nominate a person to serve on DCCAH’s Advisory Review Panels, see DCCAH’s FY15 Call for Panelists.
**Notification and Payment**

Applicants will be notified in writing of their application status after October 1, 2014. This notification may consist of a grant package, letter of ineligibility, or letter of denial.

**The date of payment disbursement is subject to change depending on the availability of funds.** DCCAH works with other DC government agencies to pay grant recipients in a timely manner but DCCAH does not create or distribute payments onsite. To expedite the payment process, DCCAH strongly recommends FY2015 grant recipients register for direct deposit. For more information on direct deposit by completing an Automated Clearing House (ACH) Vendor Payment Enrollment Form. The ACH Form can be found on our website at [Managing Grant Award](#).

DCCAH reserves the right to rescind any and all grant awards for non-compliance with grant guidelines, policies and regulations. FY2015 grantees with unfulfilled reporting, in any funding program, as of October 15, 2014, are ineligible to receive any additional awards from DCCAH.

**Risk Management and Performance Monitoring**

All grant recipients are subject to risk assessments and monitoring requirements as outlined in the [City-Wide Grants Manual and Sourcebook](#) from the Office of the City Administrator (OCA). DCCAH has established standards for grantees in making determinations of demonstrated performance prior to the award of all grants.

All activities funded by DCCAH will be monitored and evaluated by staff to assure compliance with all aspects of the District of Columbia’s requirements, which may include evaluating allowable costs, meeting project benchmarks, providing proof of expenditures, etc.

All FY15 grant recipients must complete final reports by October 15, 2015. Grantees are required to document payment of all grant related expenses as well as the required match. Interim and final report will be completed through the online portal. Grantees may access the interim and final report pages through the [Manage Grant Award](#) page on the DCCAH’s website. All grantees are responsible for reporting grant awards as income on federal and local tax returns and are strongly encouraged to consult with the tax professionals and the IRS.

**FAILURE TO SUBMIT MANDATORY DOCUMENTS WILL AUTOMATICALLY RESULT IN DISQUALIFICATION.**
The DC Commission on the Arts and Humanities (DCCAH) values and emphasizes artistic excellence in all grant programs within all disciplines. This section contains detailed information on the DCCAH’s requirements and suggestions regarding artistic content.

Artist content is one of several criteria on which an application is reviewed. Other criteria include: District Impact and Engagement, Capacity and Sustainability, Overall and others. Artistic content is demonstrated to the Advisory Review Panel through the applicant’s:

- **Section 1 - Work sample**;
- **Section 2 - Support materials**;
- **Section 3 - Résumé(s) of key personnel**; and
- **Section 4 - Assessment and evaluation methods**

Of these, the work sample carries the most weight because it must contain the clearest depiction of the applicant’s best work(s) of art. All applicants must submit artistic work samples.

To further assist you in submitting strong artistic content with your application, DCCAH has provided:

- **Section 5 – General suggestions from DCCAH staff.**

### Section 1 - Work Samples

Work samples are a critical to each application and are carefully considered during application review. The DCCAH strongly recommends that applicants pay close attention to the content of work sample submissions.

The guidelines on what to submit within a work sample submission depend on the applicant’s artistic discipline and the nature of the grant request. Applicants must adhere to the work sample requirements below in order to be eligible for consideration.

*Work samples must be no more than two years old. Submitting older work samples will make the application ineligible for funding consideration.*

Section 2 - Support Materials

Support materials are documents that strengthen the application and provide additional information that directly relates to the grant request. Support materials do not take the place of a work sample! They do, however, reinforce the quality of the applicant’s artistic disciplines(s).

Some examples of support materials are:
- Theater/exhibition reviews;
- Letters of recommendation;
- Certificates;
- Sample lesson plans;
- Assessments and evaluations; and
- Awards.

Section 3 - Résumés of Key Personnel

Another way for the Advisory Review Panel to determine the artistic content of each application is to review the résumés of the key artists, administrators, and facilitators involved in the grant activities. The professionals involved in the project determine the capacity of the project and ability for the applicant
to effectively create an excellent artistic product and/or experience. Their backgrounds as artists and administrators should be relevant to the project and clearly demonstrated through their professional résumés.

**Section 4 – Assessment and Evaluation**

**Purpose of Assessment & Evaluation**
(a) To determine the efficacy of a program – as articulated in the program goals and as required for grant reporting.
(b) To provide evidence to support changes in order to improve the program and its delivery.

**Types of Assessment & Evaluation**
(a) Qualitative Assessment is often subjective in approach and narrative in nature.
(b) Quantitative Assessment provides empirical data that demonstrates growth in the knowledge, skills, and understandings of the participants.

**Assessment & Evaluation Design**

There are many ways to assess and evaluate programming including; needs assessments, pre- and post-testing, and formative, observational, and summative assessments that utilize mixed method approaches such as portfolio assessment.

**Section 5 - General Suggestions from DCCAH Staff**

When creating and preparing Work Samples, Support Materials and Résumés, the DCCAH recommends considering the following:

- Select recent, high quality samples that relate as directly to the application as possible.
- Uploaded pictures should be JPEGs with the resolution of at least 72 dpi
- The file upload limit is 80MB. If your work sample is larger than this, we encourage you to provide a link rather than compromise the quality of the work sample
- Less is more. Oftentimes, adding more than the recommended number of work samples to your application will weaken the application.
- Carefully chosen work samples (pictures, videos, excerpts, etc.) tend to make the biggest impact and create the strongest artistic impression.
- Advisory Review Panelists are required to review each applicant’s work samples; however, they are not guaranteed to review multiple work samples within the same application.
- Each work sample and document must be labeled clearly so that panelists can identify what they are reviewing.
- For project-based grants, if you have conducted similar projects in the past two years, include samples of work that illustrate the core mission, theme or impact of those projects.
- Panelists must be able to assess the skill level of the artist(s) involved in the work that will be created, exhibited or taught.

The DC Cultural Data Project is a District-wide, collaborative effort of public and private funders and consists of an online system for collecting and standardizing historical, financial and organizational data. The DC CDP will provide the cultural community with comprehensive data on arts and culture in DC, and enable organizations to view trends in their data, benchmark themselves against peer organizations, and enhance their financial management capacity.

DCCAH requires organizations to complete the DC CDP to apply to the following programs: Arts Education Program, City Arts Projects, Cultural Facilities Projects, East of the River, Grants-In-Aid, Sister Cities International Arts Grant and UPSTART to complete the DC Cultural Data Project (DC CDP) Data Profile.

The DC CDP Data Profile is an annual requirement completed through the CDP website. The information entered into the Data Profile will be used when an application is created and report materials are submitted for the DCCAH and other funders.

ADDENDUM C:
DETAILS ON DISTRICT OF COLUMBIA SISTER CITIES

As the capital of the United States of America, Washington, DC generally partners only with national capitals around the world. Each nation’s capital has its own culture, character, history, challenges and priorities that are shared through Sister City Agreements and Protocols of Friendship. The District of Columbia has also partnered with Sunderland, England, the ancestral home of the first president, George Washington.

These partnerships create opportunities for the sister cities to learn from each other in the areas of economic development, education, social, youth and cultural projects or exchanges and government administration. Four to five specific projects are developed under each relationship.

Additional Cultural Details on Select Cities

Brasilia, Brazil
DC Brasilia Agreement 2013
Brasilia is a “Monument City.” It is the first modern city recognized by United Nations Educational, Scientific and Cultural Organization (UNESCO) as World Heritage Site. Born out of Lucio Costa’s urban design, Oscar Niemeyer’s architecture and Burle Marx’s landscape design, Brasilia is the most important modernist project in the twentieth century. Its buildings, monuments and public spaces are actual works of art exhibited in open air, revealing the signature of renowned artists. Brasilia also represents the cultural diversity of the Brazilian population, expressed in different accents, traditions, festivals, arts and varied cuisine. Diversity is the identity of Brasilia, which, along with the whole urban, architectural and landscaping set, with its unique cultural and artistic values, has given it the international title of the American Capital of Culture 2008.

DC Sunderland Agreement 2012
Sunderland has a number of active arts and creative groups and organizations alongside stronger, publicly funded bodies. Some of the larger organizations (including the City Council and the University of Sunderland) are currently developing a Cultural Partnership, seeking new, collaborative ways to develop
activity. The smaller organizations and individual practitioners are working together under a recently developed Creative Industries Strategy for the city and have formed a working group to generate activity together (Sunderland Creative Enterprise Network), facilitated and supported by Sunderland City Council.

Larger organizations run by Sunderland City Council or in receipt of public funding are: Sunderland Museum and Winter Gardens (a mixture of heritage and arts), National Glass Centre (contemporary glass, glassmaking and an overview of the city’s glass history), Northern Gallery for Contemporary Art (contemporary fine art, installations and exhibitions of national and international caliber), Arts Centre Washington (broad mixture of participatory offers in music, theatre, film, art and crafts for all age groups), Empire Theatre (part of a national theatre group – one of the largest venues in the North East of England - and specializes in popular musical theatre from London’s ‘West End’).

Our strengths are predominantly in glass, photography, music and other smaller organizations or clusters provide activity in these areas.

The city has a long tradition of glass making, having been the home to the first stained glass in the UK in the 7th century. The University has a strong Glass and Ceramics program based in the National Glass Centre which is located in Sunderland. Individual glassmakers have established themselves as creative businesses in the city, taking the opportunity to exhibit in DC under the sister city relationship and to share experience and knowledge with DC counterparts.

In music we have 4 key organizations who frequently work together to support a burgeoning music scene, with several national acts and a stream of promising emerging acts: The Bunker provides creative and music based training to young people, practice space and promotion services; Independent promotes independent music via its night club and bar but also in other venues; Pop Recs Ltd runs a vintage vinyl record store and provides free performances from professional musicians as well as music based facilities for the community such as mentoring sessions for aspiring musicians and music based clubs for children. Finally Split Festival organizes a key music festival in the city annually and incorporates a number of other creative and cultural activities.

In addition we have a Family Arts Network to encourage participation, a coffee shop which hosts monthly writing, book and film clubs, and a growing number of new creative initiatives as part of the Creative Industries Strategy work. North East Photography Network is based in Sunderland and there a small number of film makers emerging as part of the city’s creative scene.

Recent creative and cultural activity in the city is also linking in with the city’s Place Making agenda, which seeks to develop opportunities to make the city more attractive as a destination. Creative and cultural practitioners are currently keen to engage and are initiating their own projects or making proposals for increasing activity in the city and further raising awareness of what the sector has to offer – the city center in particular is seeing significant increases in visibility.

DC Tshwane Agreement 2011

City of Tshwane composes of 7 Regions with many disadvantaged areas with minimum economic advancing opportunities and theatrical and musical infrastructure for artists. The City tries to assist within its limited budget to host programs and events where many talented artists such as musicians, scriptwriters, dancers, choreographers, poets, singers, etc. will benefit and showcase their talent or have an opportunity to workshops for skills development.

The City embarks on events, programs and workshops involving all communities in various theatrical sessions such as Master Classes e.g. Poetry, Outreach Schools Programs, Community Poetry Programs (Slam sessions), Open Microphone Sessions, Poetry Evenings, Social Justice Session at a prison, theatre showcases, commemorative festivals, jazz events, etc. The opportunity to engage on international level with professional and emerging artists is educational, encouraging and highly enlightening providing insight in different social backgrounds, and highlighting common grounds.

The City hope to see interactive events and programs where artists share and focus on their sectors with an outcome on community building and creative transformation. Informative programs with readings, workshops, panel discussions, youth programming and opportunities to speak out for justice, build connection and community will be enlightening with the focus on how the arts can act as an agent for social change.
